TO WHOM IT MAY CONCERN

I have known John Westhaver for many years as a nurse at the Burn & Wound Clinic, a Director on the Firefighters Burn Fund, Victoria, BC, and a member of the Executive for the Burn Survivor Support Group. I have admired his positive energy and commitment to sharing his journey of recovery. The Firefighters Burn Fund have sponsored John in his speaking endeavors for many years as we believe in John's ability to promote the Burn Fund and the work we do to help burn survivors and teach burn awareness. John has a powerful way of sharing his story and his struggles in his recovery and has provided others an exceptional example of courage and survival.

He truly deserves the Courage to Come Back Award.

Debbie Cavana, RN

Director, Firefighters Bur Fund, Victoria, BC
