

## John Westhaver Recommendation Letter

To Whom It May Concern:

I am writing this recommendation for John Westhaver's presentation on his life story. During provincial impaired driving awareness week in Saskatchewan from March 6-10, 2023, John gave 6 virtual presentations to 6 selected schools in Saskatchewan. Each and every school that received his presentation came back with nothing but positive comments. Each school noted that the presentation was very impactful and geared to the audience, which was high school/elementary students and teachers. John's story highlights making positive choices in life as the consequences of poor choices can be life-altering. His presentation also had a family application as students were encouraged to dialogue and follow up in their family settings.

The virtual format that John presented in was also well received by the schools as they indicated the ease of set up and use of zoom. John walked the schools through the set-up prior to the presentations and did follow-up as well.

If your school is considering a presentation, I would highly recommend John. He is impactful, insightful, engaging and very professional.

Thank you.

Tim Spelliscy, Provincial Director – SADD Saskatchewan.
